DESCRIPTION OF WORK

The removal and replacement of the existing roof system on Building 1100 with two new layers of 2.5" isocyanurate insulation and new fully adhered reinforced EPDM roof system, including all insulation and associated flashings. The Base Bid Work shall also include the performance of some deck repairs and the installation of four fall arrest posts. An Alternate Bid will be to salvage the existing base layer of 2.5" isocyanurate insulation, and to install only a single layer of new 2.5" isocyanurate insulation, with the balance of the work essentially remaining the same.

Bid Security and Performance Bonds: ☒ Required ☐ Not Required

All Bidders submitting bids in excess of \$100,000.00 must be certified by the Department of Civil Rights for compliance with State of Michigan Equal Employment Opportunity requirements prior to submission of bids. **Note:** Due to recent processing improvements by the Department of Management & Budget (DMB) and the Department of Civil Rights (DCR) concerning Certificates of Awardability, consideration may be given to bids received while final certification is still pending. In order to qualify for such consideration a bidder who does not possess a Certificate of Awardability valid through the bid opening date must do each of the following:

- Notify MDCR in writing, by sending a facsimile (fax) to 313-456-3826 at least 3 business days prior to the bid opening date, that the bidder has submitted a bid contingent upon a pending Certificate of Awardability. Notice shall indicate the contract bid upon, the scheduled bid opening date, the name and phone number(s) of a contact person able to speak for the bidder on the subject of awardability, and the date on which the bidder's application for Certificate of Awardability was initially filed.
- Ensure that all information required on the application for Certificate of Awardability was provided to MDCR.
